NEWS BULLETIN - May 2025

REMINDERS REGARDING PARKING OF RECREATION VEHICLES (RV) & TRAILERS:

The following regulations are to be adhered to when parking any type of RV (camper, trailer, boat etc.) or trailer (storage, dump, horse etc.) within town limits:

Units shall only be parked on the street for a maximum period of 72 hours and must be attached to a vehicle used for moving.

Parking on boulevards (unless a permit is obtained from the town), in alley ways or on Town of Leader property is prohibited.

Creating issues for regular vehicle or pedestrian traffic is prohibited.

If you are parking in your driveway, ensure you are not affecting sidewalk traffic. Your hitch can not hang over the sidewalk.

Your cooperation is greatly appreciated. The regulations are set by Bylaw and will be enforced.

TOWN OF LEADER Flushing of Water Lines Week of May 12, 2025

Water main flushing is done annually to clean the distribution system water mains of sediments that have accumulated inside the pipe. This is one of the methods the Town of Leader uses to ensure water safety and quality.

Users can expect cloudy or murky water and also may experience low pressure. Please refrain from doing laundry while lines in your area are being flushed. Water discoloration is temporary and not a health risk.

Following this process, check all tap screens and ensure that they are properly cleaned of all debris.

Your cooperation is appreciated.
