Mr. Brian Francis, representing the River Ridge Golf Course, entered the Council Chambers at 7:25 pm to present to Council the plans for the construction of a new clubhouse at the golf course and their fundraising plans for the capital project. Mr. Francis exited the Chambers at 7:39 pm.

Council reviewed the two proposals received from engineer firms to complete a waterline renewal plan and selected the firm of ASI Engineering to perform this service at a cost of \$18,450.00.

Council accepted the revised funding request from the Leader & District Healthcare Foundation for the purchase of an additional house for healthcare practitioners joining the team at the Leader & District Integrated Facility. The funding, up to \$30,000, will be released to the foundation upon the purchase of a suitable residence.

As per the Town's Charitable Donation Policy, Council hereby declares the construction of a new clubhouse at the River Ridge Golf Course and the flooring improvements at the Leader Library are community interest projects and therefore, will issue income tax deductible receipts for funds donated to the Town in support of these projects.

A review of the fixed farm agreements that have expired at the end of 2024 has been conducted and the Town of Leader will not be renewing these agreements for the 2025-2028 assessment years.

Council approved the proposal from the Leader & District Chamber of Commerce for the installation of a parklet on the boulevard along 1st Avenue West between Lots 23 & 24 of Block A.

There will be no exceptions made.

Thank you for your cooperation.

May 6, 2025

The regular meeting of Council was held on May 6th with Mayor Aaron Wenzel, Councillors Dustin Heatcoat, Dustin Bischoff, Craig Tondevoid, Isabelle Blohm and John-Mark Bredeson, and Administrator Erin Romanuik.

The meeting was called to order at 7:00 pm, the agenda was approved as amended, and the minutes of the April 22 regular meeting and the April 30 budget meeting were approved as presented.

Council moved to increase the user rates for the Iceplex, Swimming Pool and Community Hall. These rate increase can be obtained at the Town of Leader Office.

Council will contract Mathewson and Co. to conduct a financial training course for all of Council and administrative staff for the cost of \$500.00.

Council reviewed the request from the Leader Library for extended business hours and have approved an additional 130 hours.

The Administrator was authorized to suspend tax enforcement procedures on the noted properties that have made payment arrangements. If the monthly payments are not made, the Administrator is to resume the tax enforcement process from the suspension point.

Due to various circumstances, Council has made the following changes to the dates of their regular scheduled meetings: May 20 - cancelled, May 26 - second May meeting, June 3 - cancelled and July 1 - cancelled.

The recreation department has had some extraordinary operating expenses in the past six months and Council would like to propose a new recreation funding model for neighbouring municipalities. Council will be sending out a letter to those municipalities whose ratepayers benefit from Leader's facilities for funding consideration.

The Administrator's Report was accepted as presented and capital and general accounts are to be paid.

Mayor Wenzel adjourned the meeting at 8:51 pm.

KID'S CORNER

Duckling Facts

courtesy of
National Geographic Kids

A little more than a day after hatching, ducklings can run, swim, and forage for food on their own. They stay in the nest for less than a month. A group of ducklings is called a brood. Outside the nest, the brood sticks close by the mother for safety, often following behind her in a neat, single-file line.
